To: MR. CHARLES M. TACBOBO (000032)
Area Manager
Zamboanga Del Sur II Area

Subject: ADMINISTRATIVE ORDER (CHARGING OF LIABILITIES)

Dear **Mr. Tacbobo,**

This letter formally informs you that, based on the **Notice to Explain (NTE)** issued to you dated **July 17, 2026,** and the subsequent validation of findings regarding irregularities at B008 Zamboanga IV (Sangali) Branch, you are hereby held liable for financial and operational infractions committed during your tenure as the **Regional Manager** of the **Zamboanga Peninsula**. In accordance with company policies and procedures, you are held accountable for gross negligence and failure to perform your regional oversight, monitoring, and supervisory duties. Your failure to exercise due diligence in addressing reported risk and conducting required validations directly resulted in substantial financial losses and heightened operational risk to the Company.

Details of Liabilities:
This case involves failure to act on formal escalations, lack of supervisory oversight, and non-enforcement of policies under your direct responsibility. Specifically, audit and field validations confirmed that the branch incurred a Total Net Risk of Php103,795.00 (One hundred three thousand seven hundred ninety-five pesos) due to the creation of dummy accounts, falsified documents, and uncollected funds. Confirmed infractions include:

- **Failure to Act on Formal Escalation**: A Loan Officer from the branch directly raised concerns to you regarding suspected dummy accounts and irregular loan processing. Despite this early warning, you did not initiate any investigations, issue instructions, or take corrective measures to verify or address the reported issue.
- **Gross Lack of Regional Monitoring and Supervision**: You failed to conduct required operational reviews, account validations, and compliance checks across your jurisdiction. This lack of oversight allowed 33 irregular accounts to be created, processed, and approved without detection, leading to substantial financial loss and reputational risk to the Company.

Reason for Charging:
As the Regional Manager directly responsible for regional oversight, you are accountable for strict enforcement of company rules, integrity of credit operations, and safeguarding the financial quality of branch assets within your area. Your actions and failure to exercise due diligence constitute:

- **Negligence of Duties & Responsibilities** – Failure to act on reported risks, conduct required supervisory checks and ensure compliance with policies across your assigned region.
- **Violation of Credit & Internal Control Policies** – Disregard for protocols on escalation, risk assessment, and operational monitoring, allowing severe irregularities to persist undetected.
- **Breach of Trust and Confidence** – Failure to address known issues and exercise the authority entrusted to your position, exposing Company capital to avoidable loss and compromising operational integrity.

Terms of settlement:
In light of these circumstances, the management has made a decision to hold you accountable for the above matter or issues. Accordingly, you will be charged amounting to **Php10, 200.00 (Ten thousand two**

hundred pesos) only, as part of your liabilities. To facilitate the repayment, this amount will be deducted from your monthly payroll for **Three (3)** months that will take effect on **August 2026** monthly deduction amounting to **Php3,000.00 (Three thousand pesos) only.** If you have any questions or concerns, please do not hesitate to reach out the HR Department of your direct supervisors.
